Visas

EU Citizens do not require a student visa to enter Romania. They can enter Romania with an ID document (a valid travel document e.g. passport, or another document certifying identity and citizenship).

Accommodation

Renting an apartment nearby or in the center of the city is an option. The Erasmus+ Office can recommend several real estate agencies that may be able to provide the accommodation you are looking for, or you can search for suitable accommodation yourself on specialized websites.

Students usually pay a security deposit, which is usually equivalent to one month's rent. In addition to rent, you will also need to cover monthly expenses such as water, heating, electricity.

Language course

For incoming students a Romanian language and culture class is being organized for each semester. The class has 3 ECTS.

Before the beginning of the semester, there is an orientation meeting with all the Erasmus students, guiding them through all the procedures.

In order to have a better integration of the incoming students, they will have a meeting with Romanian students (former Erasmus+ students, members of Students Association)

Important! Erasmus+ incoming students will not be charged any fees by „Constantin Brâncoveanu” University of Pitești.
